Description

Comfortable wireless headphones with clear sound and soft ear cushions. Perfect for music, call[illegible]

The over-ear design blocks out background noise, so you can focus on what you are listening t[illegible] stay comfortable even after hours of use.

A single charge gives up to 30 hours of playback. Fast charging gives you 5 hours of listening from just 10 minutes plugged in.

Bluetooth 5.0 connects quickly and stays stable up to 10 metres away. The built-in microphone gives clear voice calls.

The folding headband makes the headphones easy to carry, and the included case protects them in a bag.

Available with a one-year warranty. Free returns within 30 days if you are not happy with your purchase.

Sound is balanced across bass, mids and treble, so music, podcasts and films all sound natural.

Controls on the ear cup let you change volume, skip tracks and answer calls without taking out your phone.

The headphones pair with two devices at once and switch between them automatically when a call comes in.

The lightweight frame weighs just 250 grams, so you can wear them all day without a sore head.
